

Baltimore 45mm

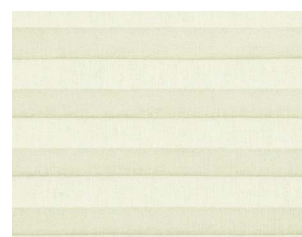

Baltimore is a truly unique semi-transparent fabric, noted for its sophisticated linen look. The honeycomb structure encompasses a white, non-woven back, combined with a coloured textile front. As a result, this fabric diffuses the incoming light beautifully. Baltimore is available in six natural colours, ideal for achieving a luxurious atmosphere in the home or office.

fabric specifications

composition	construction	transparency	form of cell	weight (g/m ²)	thickness (mm)	colour fastness (ISO 105 B02)	metalized	Deko-Tex standard 100	flame retardant	moisture resistant	pvc/halogen free
