

ARTICLE DATA SHEET

Article : **EDMONTON BO 45 mm - Honeycomb Fabrics**
Version : 2020-01

Black-out fabric Edmonton BO epitomises style and quality. This 45mm black-out fabric has a subtle satin finish and woven structure, that conveys a timeless feel. To emphasise the luxurious quality, this black-out fabric does not have the standard aluminium foil on the inside of the cells but the black-out level is obtained by the use of a high-end white tri-laminate. Edmonton BO comes in 10 commercial colours and is available in a width of 366cm.

Composition : 100% Polyester (PES)
Construction : woven fabric with tri-laminate black-out film
Transparency : black-out

Oeko-Tex standard 100 certified : no - certification pending
